► STANDOUT - LGBTQ+ AT BEACON HILL

The primary objective of StandOut is to foster an inclusive workplace for LGBTQ+ people that treats everyone justly according to their circumstances. We believe we can achieve this by following four common elements: Community, Culture, Career, and Commerce.

- **Community:** Provide a space for LGBTQ+ people at BHSG to meet and support each other
- **Culture:** Positively influence the work environment by helping members and allies be better versions of themselves
- **Career:** Advocate for learning and development opportunities for members. Help attract LGBTQ+ talent to the company
- **Commerce:** Represent LGBTQ+ people as a successful element of doing business
